

Dear God,

Thank You for caring about us and listening to our prayers. We don't always ask for things that we need, and we don't always get what we expect. But when we are open to You we can see that You do answer our prayers.

Help us to have faith in You, and to trust You to guide us. To give us the healing, or the understanding, or the support that we need, and to see Your love and Grace expressed to us when we ask for it.

In Jesus' name

Amen
